## DONOR GIFTS & SPECIAL CONTRIBUTIONS

*Given to the Glory of God  
in Thanksgiving for/in Memory of/Anonymously Given*

**Designated donor gifts** are items that are intended to be with the church across generations. Our stunning brass processional cross was our first designated donor gift in 2018. Our sister churches and the Tampa Deanery have generously gifted us our altar, reredos, the four new prie-dieux (prayer desks in the chancel), the new brass paschal candle stick and the basic “starter” altar and lectern hangings. Following is a registry of gifts for our church. From time-to-time there may be needs that are not captured in the registry. Please contact Mother Hymes to inquire about new designated donor gift opportunities.

**Special Contributions** are contributions to one-time expenses which also have a long-term impact on the growth and life of the congregation.

**Designated donor gifts may be made at any time.**  
**Please email inquiries to [priest@saintpaulseiscopalchurch.org](mailto:priest@saintpaulseiscopalchurch.org)**

**Step One:** Contact Mother Hymes to confirm that the item(s) you wish to gift have not already been gifted or to inquire about other possible gifts that may not be captured in the registry.

**Step Two:** Please accompany the check with a brief note (it can be typed or handwritten) which specifies your intent for the contribution (ex: I am/My spouse and I are making a special gift of (insert amount) to St. Paul's Episcopal Church Wesley Chapel in donating the [insert item(s)]. This will direct the funds to the line item in the budget called "Special Gifts/Donations."

**Step Three: Check Made to: St. Paul's Episcopal Church WC Check Memo: STP Special Gift (insert item)**

**Step Three: Mail To:** St. Paul's Episcopal Church, 3836 Flatiron Loop, Ste. 101, Wesley Chapel, FL 33544

### END-OF-YEAR GIVING TAX DEDUCTION CONSIDERATIONS

According to IRS tax rules for charitable deductions, donors must deliver checks on or by December 31 to qualify for a charitable contribution deduction for that year. Checks that are written, mailed and postmarked within the same year will be deductible for that year even if the church does not receive it until the following year.
